

A parent guide to

Accelerated Reader[®]

Westvale Park Primary Academy

‘Ensuring every child has the necessary skills they need to read is an essential component of literacy education. It enables children to not only learn across the curriculum but also to access numerous aspects of daily life, influencing the opportunities that they have available to them in the future.’

Professor Timothy Rasinski, Education Endowment Foundation (2022)

What is Accelerated Reader?

Accelerated Reader (AR) is a digital online learning platform that motivates children to read more and helps teachers manage and monitor a child's independent reading practice. Children pick a book that falls within their ZPD (book band) level and, when they have finished reading it, take a short quiz on a computer, tablet or smart phone. Passing the quiz is an indication that the child has understood what they have read and are reading regularly. If they read at the recommended level, children will be successful and enjoy books and quizzes. Best of all, they learn and grow at their own pace.

What awards and rewards can be achieved?

Year 2:

Children receive a certificate for every 6 quizzes they pass. Each child has a target of 24 quizzes over the course of the academic year. Every quiz passed contributes towards the class's points total. Once the class quiz target has been achieved, every child in the class receives a whole class reward (e.g. bring a teddy to school day, mufti day, pyjama day). A vibrant reading display helps children track their progress towards their Accelerated Reader target.

Year 3 – 6:

Each reading book has a points value. Children receive a certificate for every five points achieved. Each child has a target of 10 to 15 points per school term, depending on their year group. Every point a child earns contributes towards the class's points total. Once the class points target has been achieved, every child in the class receives a whole class reward (e.g. bring a teddy to school day, mufti day, pyjama day). A vibrant reading display helps children track their progress towards their Accelerated Reader target.

Which books have an Accelerated Reader quiz?

There are over 20,000 books, both fiction and non-fiction, with an AR quiz, and many of these are available in classroom book corners. Students are also encouraged to read books they may have at home or have borrowed from the local library. To find out if a book has a quiz, you can visit the AR Bookfinder website at:

www.arbookfind.co.uk

What ZPD level is my child and how often does it change?

Children take a STAR Reading assessment in school every term to track their reading growth. After every assessment, your child's new ZPD (book band) level will be stuck into their reading record (Key Stage 1) or spelling journal (Key Stage 2). The AR Bookfinder website is a great place to find books at your child's current ZPD level. *Your child's Accelerated Reader login details can be found stuck into their reading record (Key Stage 1) or spelling journal (Key Stage 2).*

What do book quizzes look like?

AR book quizzes are multiple choice and test children's understanding of what they have read. Here is an example of a question from an AR quiz:

Question 1 of 5

The fox invited the mouse to ---.

☐ A. have lunch in his underground home

☐ B. take a ride on his furry back

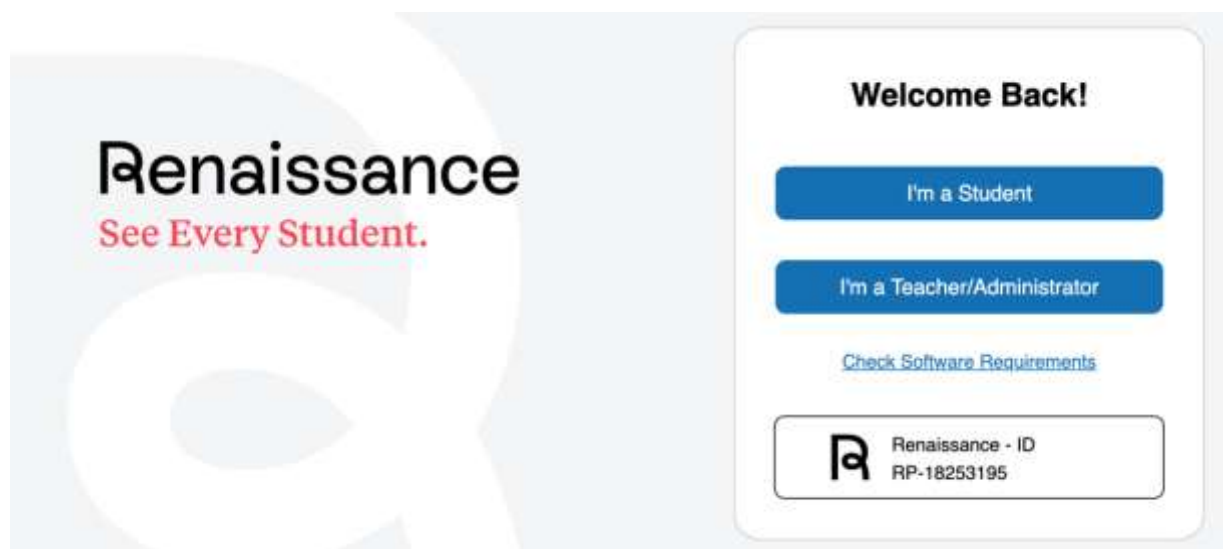

☐ C. go to a birthday party with him

☐ D. go for a swim in the river

How does my child log in to Accelerated Reader?

To take a quiz at home, children must visit the Accelerated Reader website. Please note that every school's AR website address is unique, so you cannot find it via a Google search. To access Accelerated Reader at home, visit: <https://global-zone61.renaissance-go.com/welcomeportal/8045754>

We highly recommend creating a bookmark in your browser for Accelerated Reader.

Should you have any queries, please don't hesitate to contact your child's class teacher. Happy reading and quizzing!
